

**Student Internship Opportunities  
Mathematics and Computer Science (MCS) Division  
Argonne National Laboratory**

See MCS Division research opportunities as listed in Argonne's Division of Educational Programs faculty and student online catalogue (<https://webapps.anl.gov/register/catalog/3>), projects **204-234**.

**DOE Science Undergraduate  
Laboratory Internships  
Program (SULI)  
and  
Argonne Student Research  
Participation Program (SRP)**

Students who apply for summer consideration must apply to the DOE SULI and also submit an electronic application to Argonne's SRP. References should be submitted for DOE SULI consideration and need not also be submitted to Argonne. See <http://www.dep.anl.gov/>

**2013** Summer program deadline:  
**2013** Summer program dates:

**January 7, 2013**  
May **28, 2013** – August **2, 2013** – with some flexibility depending on on-site student housing requirements.

**Cooperative Education -**  
Applicable to graduate students  
and Undergraduate students

Parallel Co-op: one-year part-time work up to **19** hr/week concurrent with full-time college/university

Alternating Co-op: semester at Argonne, followed by semester at college/university

**Co-op Application deadline:**

None, but requires approval from university cooperative education office and verification of full-time student status.  
Foreign nationals need work permission via approved I-20 form. See: <http://www.dep.anl.gov/highered/coopapp.pdf>

**Graduate Program  
Appointments:**

**2013** Summer Givens Associate – **March 1, 2013**  
<http://www.mcs.anl.gov/research/opportunities/index.php>

Research Aide – **March 29, 2013**  
[http://www.dep.anl.gov/p\\_shared/researchAide\\_appts/shortterm.htm](http://www.dep.anl.gov/p_shared/researchAide_appts/shortterm.htm)

Laboratory Graduate - **NONE**  
[http://www.dep.anl.gov/p\\_graduate/labgrad.htm](http://www.dep.anl.gov/p_graduate/labgrad.htm)

Thesis Parts - **NONE**  
[http://www.dep.anl.gov/p\\_graduate/thesispa.htm](http://www.dep.anl.gov/p_graduate/thesispa.htm)

Please contact Pat Pepper in the MCS Division at 630-252-3122 or [pepper@mcs.anl.gov](mailto:pepper@mcs.anl.gov) for further details.
